

# CARLOS ALÓS-FERRER

## One-Page Scientific Profile - June 2022

### Fields of Research

Economic Psychology, Microeconomics, Neuroeconomics, Game Theory, Decision Theory, Behavioral Economics, Voting Methods

### Education

2004 Habilitation (*Venia Legendi*) in Economics, University of Vienna (Austria).  
1998 Ph.D. in Economics, University of Alicante (Spain)  
1992 Master of Science, Mathematics. University of Valencia (Spain)

### Positions as Full or Associate Professor

2018-... **Full Professor of Decision and Neuroeconomic Theory**, University of Zurich (Switzerland), endowed by the NOMIS Foundation  
2016-... Visiting Professor, New York University at Abu Dhabi (United Arab Emirates) in 2016, 2018, 2019, 2020, 2022.  
2012-2018 Full Professor of Microeconomics, University of Cologne (Germany)  
2005-2012 Full Professor of Microeconomics, University of Konstanz (Germany)  
2004-2005 Associate Professor, University of Vienna (Austria)  
2002-2004 Associate Professor, University of Salamanca (Spain)

### Academic Service (Selected)

2019-... **Editor in Chief**, Journal of Economic Psychology (Elsevier).  
2009-2012 **(Founding) Editor in Chief**, *Games* (MDPI publishing).  
2016-2020 **Elected member of the Grants-Awarding Committee for Economics** of the German Research Foundation (DFG).  
2012-2018 **Speaker, Research Unit “Psychoeconomics,”** financed by the German Research Foundation (DFG). A research consortium across three universities (Konstanz, Cologne, and Zeppelin University Friedrichshafen).

### Selected Awards and Rankings

2021 *h* index: 34 (Google scholar); *i10* index: 64 (over 3,000 citations).  
2021 Handelsblatt Econ Ranking: Ranked number 36 (top 2%) among  $\sim 3000$  economists in Germany, Switzerland, and Austria, including those working in the U.S., U.K., etc.  
2005 Figdor Prize for Law, Social and Economic Sciences, Austrian Academy of Sciences  
1999 Austrian Economic Association Award to Young Economists

### Publications

93 international, peer-reviewed article publications in economics, psychology, and neuroscience.  
15 book chapters and miscellaneous.

**Book:** “The Theory of Extensive Form Games,” 2016, Carlos Alós-Ferrer and Klaus Ritzberger, Springer Verlag (Monographs of the Game Theory Society).

### Research Funding

$\sim 3$  Million Euro cumulated third-party funding from the Austrian Science Fund (FWF), the German Research Foundation (DFG), and the Swiss National Science Foundation (SNF), among others.

## 2 Education

- 2004 Habilitation (*Venia Legendi*) in Economics, University of Vienna (Austria).
- 1998 Ph.D. in Economics, University of Alicante (Spain)
- 1995 Master in Quantitative Economics. University of Alicante (Spain)
- 1992 Master of Science, Mathematics. University of Valencia (Spain)

## 3 Appointments and Academic Positions

- 2018-... NOMIS Full Professor of Decision and Neuroeconomic Theory at the Dpt. of Economics, University of Zurich (Switzerland)
- 2016-... Visiting Professor at New York University Abu Dhabi in 2016, 2018, 2019, 2020, 2022 (United Arab Emirates).
- 2012-2018 Full Professor of Microeconomics (*W3-Professor*, tenured) at the Dpt. of Economics, University of Cologne (Germany)
- 2011 Call as Full Professor at the University of Maastricht (The Netherlands), declined.
- 2008 Call as Full Professor at the University of Lausanne (Switzerland), declined.
- 2005-2012 Full Professor of Microeconomics (*W3-Professor*, tenured) at the Dpt. of Economics, University of Konstanz (Germany)
- 2004-2005 Associate Professor (*außerordentlicher Professor*, tenured) at the Dpt. of Economics, University of Vienna (Austria)
- 2002-2004 Associate Professor (*Titular de Universidad*, tenured) at the Dpt. of Economics, University of Salamanca (Spain)
- 1997-2004 Assistant Professor (*Univ.Assistent*) at the Dpt.of Economics, Univ.of Vienna (Austria)
- 1996-1997 Research Fellow, Spanish Ministry of Education. Univ. Alicante (Spain)
- 1993-1996 Assistant (*AYEU,AYU*) at the Dpt. of Economics, Univ. Alicante (Spain)
- 1992-1993 Numerical Processes Controller. “García Ballester, SL”. Burriana (Spain)

## 4 Awards

- 2016 Best Paper Award, Association for NeuroPsychoEconomics (Bonn)
- 2014 Best Paper Award, Association for NeuroPsychoEconomics (Munich)
- 2005 Figdor Prize for Law, Social and Economic Sciences, Austrian Academy of Sciences
- 1999 Austrian Economic Association Award to Young Economists
- 1998 Extraordinary Ph.D. Award (Quantitative Economics), University of Alicante (Spain)
- 1992 Extraordinary Master Award (Mathematics), University of Valencia (Spain)

## 5 Academic Service

### Editorial Positions:

- ◇ **Editor in Chief**, Journal of Economic Psychology, since January 2019.
- ◇ **(Founding) Editor in Chief**, *Games* (MDPI publishing, Basel), 2009-2012.
- ◇ **Associate Editor**, Economic Theory (and ET Bulletin), since 2017.
- ◇ **Associate Editor**, Frontiers in Psychology / Frontiers in Neuroscience (Section: Decision Neuroscience), since 2021.
- ◇ **Editorial Board Member**, Cognitive Neurodynamics, since 2022.
- ◇ **Associate Editor**, Journal of Economic Psychology, 2013-2018.
- ◇ **Associate Editor**, Mathematical Social Sciences, 2014-2018.
- ◇ **Associate Editor**, Journal of Economic Behavior and Organization, 2011-2018.
- ◇ **Associate Editor**, The B.E. Journal of Theoretical Economics, 2008-2012.
- ◇ **Guest Editor**, special issue on Dual Processes and Multiple Selves, Journal of Economic Psychology (together with Fritz Strack), published 2014.
- ◇ **Refereeing**. I have written hundreds of reports for dozens of journals in many different disciplines. I stopped counting a long time ago. I also regularly write research project evaluations for national funding agencies from different countries.

### Academic Organization:

- ◇ Elected member of the Grants-Awarding Committee (*Fachkollegium*) for Economics of the German Research Foundation (DFG), 2016-2020.
- ◇ Evaluator of the PhD Programs in Economics and Management (“Accreditation”), AQU Catalunya (Universitat Pompeu i Fabra, Universitat Autònoma de Barcelona), 2019.
- ◇ President, Association for NeuroPsychoEconomics, 2018-2019.
- ◇ Speaker, Research Unit “Psychoeconomics,” financed by the German Research Foundation (DFG: FOR 1882), 2012-2018. A research consortium across three universities (Konstanz, Cologne, and Zeppelin University Friedrichshafen).

- ◇ Deputy Senator (representing the Faculty of Management, Economics, and Social Sciences) at the University of Cologne, 2016-2018.
- ◇ Speaker, Forum “Motivation, Self-Control, and Economic Behavior” at the University of Cologne, 2015-2016.
- ◇ Speaker, Center for Psychoeconomics at the University of Konstanz, 2008-2011.

## 6 Research projects (third-party funding):

- 2021 The Neuroeconomics of Biases and Cognitive Failures in Markets, NOMIS Foundation (Principal Investigator; Co-PI: Christian Ruff).
- 2018-2022 The Neuroeconomics of Conflict and Preference Strength in Decision Making, Swiss National Science Foundation (SNF) (Principal Investigator), 100014\_179009/1.
- 2016-2019 Stochastic Stability in Networks and Markets, German Research Foundation (DFG) (Principal Investigator), Al-1169/5.
- 2015-2016 Speaker, Forum “Motivation, Self-Control, and Economic Behavior”, funded within the “Exzellenzinitiative” at the University of Cologne.
- 2012-2018 Speaker and Coordinator of the Research Unit “Psychoeconomics”, German Research Foundation (DFG) (Speaker), FOR 1882 (Coordination project: Al-1169/3-1 and -2).
- 2012-2019 Economic Rationality and Competing Behavioral Rules, project within the Research Unit “Psychoeconomics”, German Research Foundation (DFG) (Principal Investigator), Al-1169/4-1 and -2.
- 2012-2016 Approval Voting: Theory and Experiments, German Research Foundation (DFG) (Principal Investigator), Al-1169/2.
- 2010-2016 The Theory of Sequential Decisions, German Research Foundation (DFG) (Principal Investigator), Al-1169/1-1 and -2. Part of a German-Austrian cooperation under the D-A-CH Lead Agency program.
- 2008-2011 Center for Psychoeconomics (Speaker), Research Center within the “Exzellenzinitiative” at the University of Konstanz.
- 2005-2009 Evolutionary Economic Models in Finite Populations (Principal Investigator), Austrian Science Fund (FWF) Project Nr. P 18141.
- 2003-2004 Evolutionary Stability in Economic Problems and the Evolution of Preferences (Coordinator in Spain), Acciones Integradas Spain-Austria, Ministerio de Educación y Cultura (Project HU02-4) / Österreichischer Austauschdienst (Project 18/2003).
- 2002-2005 Behavioral Models in Economics and Finance (Coordinator at the European Level), European Science Foundation (Austria/Switzerland/Spain).
- 2003-2004 Estabilidad Evolutiva en Contextos Económicos (Principal Investigator), Junta de Castilla y León Project SA114/03.
- 2002-2003 Bounded Rationality and Markets (Researcher), Jubiläumsstiftung der Stadt Wien.

## 10 Teaching

### ◇ University of Zurich (Switzerland), 2018-... :

*Ph.D. level:* Neuroeconomic Foundations of Decision Making, Decision Theory for Neuroeconomists, Behavioral Economic Theory.

*Master level:* Neuroeconomic Theory (Seminar)

*Bachelor level:* Introduction to Game Theory, Topics in Game Theory (Seminar).

### ◇ University of Cologne (Germany), 2012-2018:

*Ph.D. level:* Behavioral Economic Theory.

*Master Level:* Advanced Microeconomics II (Game Theory), Social Choice and Voting Methods, Topics in Decision and Game Theory (Seminar).

*Bachelor level:* Game Theory and Strategic Thinking, Behavioral Decision Theory, Topics in Psychoeconomics (Seminar).

### ◇ University of Konstanz (Germany), 2005-2012:

*Ph.D. level:* Advanced Game Theory, Economic Theory Seminar.

*Master Level:* Advanced Microeconomics, Industrial Organization, Social Choice, Microeconomics Seminar.

*Bachelor level:* Microeconomics II (Game Theory), Introduction to Decision Theory, Spieltheorie für Sozialwissenschaftler (Seminar).

### ◇ University of Vienna (Austria), 1997-2005:

*Lectures:* Game Theory II, Social Choice, Social Learning, Dynamical Models in Economics, Evolutionary Models and Applications, Learning and Bounded Rationality (Ph.D.), Equilibrium Selection in Games (Ph.D.).

*Tutorials:* Microeconomics, Game Theory I, Industrial Organization.

### ◇ University of Salamanca (Spain), 2002-2004:

Mathematics for Business Administration, Optimization Methods for Business Administration, Game Theory.

◇ **University of Alicante (Spain), 1993-1995:**

Mathematics for Business Administration, Mathematics for Economists.

◇ **Courses taught as External Faculty:**

- Mathematics II, New York University Abu Dhabi (Spring Term, 2022).
- Advanced Game Theory, New York University Abu Dhabi (Spring Term, 2020).
- (Economic) Decisions and the Brain, New York University Abu Dhabi (J-Term, 2018; Spring Term, 2020; Spring Term, 2022).
- NeuroPsychoEconomics, New York University Abu Dhabi (Fall 2, 2016; Spring 1, 2019).
- Introduction to NeuroPsychoEconomics (Ph.D.), Max Planck Summer School (IMPRS), University of Jena (August 2016).
- Stochastic Learning in Games (Ph.D.), Max Planck Summer School, MPI Jena (Germany) (August 2010).
- Advanced Microeconomics, University of St.Gallen (WS 2008/09)
- Stochastic Evolutionary Games (Ph.D.), Department of Economics, University of Bielefeld (Germany) (October 2007).
- Social Choice (Ph.D.), Institute for Advanced Studies, Vienna (Austria) (March 2007).
- Advanced Game Theory (Ph.D.), University of Konstanz (Germany) (March 2005).
- Mathematics for Economists (Ph.D.), Institute for Advanced Studies, Vienna (Austria) (WS 2004/05)

## 11 Ph.D. Supervision and Student Placement

2006 **Simon Weidenholzer**, University of Vienna. Ph.D. Thesis: “Coordination Games, Local Interactions, and Economic Applications”.

Simon Weidenholzer is now (tenured) Professor at the University of Essex.

2008 **Nick Netzer**, University of Konstanz. Ph.D. Thesis: “Risk, Behavior, and Evolution” (joint supervision with F. Breyer).

Nick Netzer is now (tenured) Professor at the University of Zurich.

2010 **Fei Shi**, University of Konstanz. Ph.D. Thesis: “Three Essays in Asymmetric Information and Learning in Games”.

Fei Shi was Assistant Professor at Shanghai Jiao-Tong University before moving to the private sector.

2013 **Đura-Georg Granić**, University of Konstanz. Ph.D. Thesis: “Essays on Approval Voting and Choice-Induced Attitude Change.”

Đura-Georg Granić is now (tenured) Associate Professor at Erasmus University Rotterdam.

2014 **Johannes Kern**, University of Cologne. Ph.D. Thesis: “Four Essays on Decision and Game Theory”.

Johannes Kern completed his dissertation and moved to the private sector.

2017 **Johannes Buckenmaier**, University of Cologne. Ph.D. Thesis: “Evolution, Bounded Rationality and Institutions.”

Johannes Buckenmaier is now a post-doctoral researcher at the University of Zurich.

2019 **Alexander Ritschel**, University of Cologne. Ph.D. Thesis: “Social Preferences, Behavioral Rules, and Response Times.”

Alexander Ritschel is now a post-doctoral researcher at the University of Zurich.

2020 **Michele Garagnani**, University of Zurich. Ph.D. Thesis: “Errors and Heterogeneity in Economics.”

Michele Garagnani will join Bocconi University as a post-doctoral researcher in October 2022.

## 12 Organization of Workshops and Conferences

2018 Scientific and local organizer of the NeuroPsychoEconomics Conference 2018, Zurich (May).

2012-2018 One-day Workshop Series “Psychoeconomics” at the Universities of Cologne, Konstanz, and Zeppelin University Friedrichshafen. Around four workshops per year (Scientific Organizer).

2014-2015 First, Second, and Third Workshops on Motivation and Self-Control, University of Cologne (Main Organizer).

2010 Psychoeconomics Winter Workshop, Konstanz (Germany) (main organizer) (December).

2008 Konstanz-Strasbourg Doctoral Workshop on Game Theory (main organizer, jointly with Paul Pezanis-Christou) (October).

2005 Fourth Workshop on Behavioral Models in Economics and Finance, Vienna (Austria) (main organizer, jointly with Manfred Nermuth) (September).

2003 Second Workshop on Behavioral Models in Economics and Finance, Salamanca (Spain) (main organizer, jointly with José Manuel Gutiérrez-Díez) (September).

2002 First Workshop on Behavioral Models in Economics and Finance, Vienna (Austria) (member of the organizing committee) (September).

## 13 Talks at conferences/seminars (since 2018)

◇ Invited Talk: Decision Experience and Behavior (DEB) Seminar, planned: August 2022, online.

◇ Conference Talk: Foundations of Utility and Risk (FUR), planned: July 2022, Ghent (The Netherlands)

◇ **Plenary Talk:** Learning and Evolutionary Games (LEG), IMT Lucca, planned: July 2022

◇ Invited Talk: University of Bielefeld, May 2022

◇ Conference Talk: Econometric Society European Winter Meeting, December 2021

◇ Invited Talk: Brown University (USA), November 2021

- ◇ **Plenary Talk:** Asia Conference on Business and Economic Studies (ACBES), Vietnam, August 2021
- ◇ Invited Talk: Networks Seminar, ETH Zurich, September 2021
